

EQUIPMENT LIST

MACHINING

2-spindle vertical lathe	Ø 200mm
	Ø 400mm
2-spindle horizontal lathes	Ø 200mm
1-spindle horizontal lathes	Ø 250mm
	Ø 350mm
	Ø 460mm
	Ø 550mm
	Ø 580mm
3-axis vertical 3-axis machining centres	
4-axis vertical machining centres	
4-axis horizontal machining centres	630 x 630 x 630
	800 x 800 x 800
5-axis horizontal 5-axis machining centres	450 x 600 x 330
	650 x 600 x 500
	800 x 800 x 550

4-axis multipallet horizontal machining centres	1050 x 1050 x 1050 maximum weight 500 kg
Milling and turning centres	1425 x 1050 x 1050 (550 rpm) maximum weight 1000 kg
3 or 4-axis vertical drilling centres	
Cutting machine	
4-axis transfer machines	
Broaching machine Soft/hard broaching	160 KN - 1600 mm

FINISHING

Air/watertightness testing machines
Spray parts washers
Combined-technology parts washers
Laser marking machines
Dot peen marking machines
Assembly machines Pneumatics / hydraulics

FINISHING

TIG welders

Plasma welders

Laser welders

Screwing machines

Pressure testing machines

Manual balancing machine

CONTROLLING QUALITY

3D machines

Form measuring machine

Roundness gauge

Cleanliness control

Endoscopic testing

Magnetic particle testing

Counting and weighing particles
